KENYA MEDICAL DIRECTORY 2026-2027 EDITION

Kenya's Leading Healthcare Sector Reference Guide

Kenya Medical Directory 2026-27 Edition Subscription Form

The publishers of this Directory are inviting the above cadre of medical personnel to subscribe to the forthcoming edition of Kenya Medical Directory. KMD contains the most comprehensive contacts of Health sector stakeholders as well as all basic information on the sector in Kenya and it is the most preferred medical platform for business networking.

While basic contact information – Name, Physical Location, Telephone Number and Email – will be published free-of-charge, additional information like Qualifications, Specialty, Sub-Specialty and Website will be paid for at Shs. 2,500 which covers the Hard Copy of the Directory inclusive of delivery to your office and Shs. 1,500 for Digital version of the Directory.

Patients are becoming more and more discerning in their medical needs therefore this Directory makes it easier to identify the specialists they require. References and referrals become easier when this publication is on the desk of various medical persons.

Do not miss from this comprehensive sector reference guide which has provided business networking in the sector for 30 years and counting. If you wish to view the current edition of the Directory, visit our website www.healthcareinkenya.com on the Directory section and flip through the pages.
